

# Nilo José - Amor de Estação

tom:

C

Dias difíceis na vida, passei sozinho

Ate você aparecer, pra mim

Eu era triste e solitário, foi quando então

Você chegou de repente, deixei de ser tão carente

C C7

Acabou a solidão

Você chegou como chega a primavera

Quando eu menos esperava desabrochou

No meu jardim ( refrão )

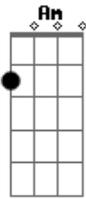

Só espero que vá embora com a estação

E Só no outro ano então você tornara a vir
