

Nilüfer Yanya - Keep On Calling

```
tom:
              Gbm
Intro: Gbm E7 D Db7
Gbm E7 D Db7
[Primeira Parte]
    E7
Throw it all away for you
      Db7 Gbm
Just like you asked me to
 F7 D
You can't always be my waste of time Gbm E7 D
And when things don't go to plan
   Db7 Gbm
If you deserve another chance
     E7 D Db7
I can count on you to take your time
[Refrão]
Bm Dbm
                     Gbm
Boy, I'm getting tired of your games $\operatorname{\textsc{Bm}}$
You just don't stop speaking Gbm E D
I'm done with feeling for you
Boy, I'm getting bored of your ways
    Bm Dbm
You can keep on calling
 Gbm E
I am done with falling
( Gbm E7 D Db7 )
( Gbm E7 D Db7 )
[Segunda Parte]
        F7
So don't worry about the tears
 Db7 Gbm
Found a way to disappear
 E7 D
You just watch that coming tide
Gbm E7 D
We won't even have to shout
```

```
'Cause not even words can find a way out
                                      F7
                                                                                                                                                                D
  You just relax and I'll kill the time
   [Refrão]
  Bm Dbm
                                                                                                                                                                          Gbm
  Boy, I'm getting tired of your games

Dbm

Dbm
  You just don't stop speaking
            Gbm E D
  I'm done with feeling for you
  Bm Dbm Gbm
  Boy, I'm getting bored of your ways
            Bm Dbm
   You can keep on calling
          Gbm E
  I am done with falling for you
  Boy, I'm getting tired of your games
                                    Bm Dbm
You just don't stop speaking
Gbm E D

I'm done with feeling for you
Bm Dbm Gbm
 Boy, I'm getting tired of your ways % \left( 1\right) =\left( 1\right) \left( 
                                 Bm Dbm
  You can keep on calling
           Gbm E
  I am done with falling
 D Gbm E
  I am done with falling
  D Gbm E
  I am done with falling
   [Final]
   For you, boy
                                                                        Bm Db7
   For you, boy
                                    Bm Dbm
   For you
               Bm Dbm
   For you
```
