

## Nina Cobham - Interested

So I can try to ease your disappointment tom: Ab Let you down easily You're in my head, I don't know why I don't know how to keep you interested C7 I said tonight I'd go to sleep I swear I'm not even that interesting At a reasonable time You say I ought to give myself Some more credit but I said it Remind myself you're not Now I'm worried that it's in your head The guy to pick just one Así que dime lo que quieres I don't know how to keep you interested Lo que prefieres En verdad no soy You know if you'd prefer it Interesante I can leave you be Surely there's someone more exciting A little more inviting I'm questioning your motives Somewhere in your contacts Wonder what you're wanting Db Why are you being so kind to me? Why are you so kind, so kind to me? Why are you so kind, (so kind) so kind to me? (so kind) I don't know how to keep you interested Ah Why are you so kind, so kind, so (so) I swear I'm not even that interesting Db Why are you so kind, so kind to me? You say I ought to give myself Dh Some more credit but I said it (No soy nada de interés para ti te lo juro) Now I'm worried that it's in your head Why are you so kind, so kind to me? **C7** I don't know how to keep you interested Why are you so kind (so kind), so kind (so kind), so En verdad no soy (No soy nada de interés para ti te lo juro) Interesante I don't know how to keep you interested Surely there's someone more exciting A little more inviting I swear I'm not even that interesting C7 Somewhere in your contacts You say I ought to give myself Some more credit but I said it You come straight in with the compliments Now I'm worried that it's in your head I'm not sure how I should respond to them I don't know how to keep you interested Ab He dudado de mi desde siempre En verdad no soy I'm not sure how to change my approach Interesante Dh Db Maybe I'm being too precautions Surely there's someone more exciting A little more inviting I don't know what to say so we Somewhere in your contacts Don't talk that often Acordes AЬ Db
