

# Nina Nesbitt - Noserings And Shoestrings

Tom: Db

(com acordes na forma de C)  
Capotraste na 1ª casa

Ruffled hair, a lose shoestring

Covered arms and a nose rings

He's just misguided I think

He goes out till the lights up

He doesn't care for the day mmm

He doesn't know what he's worth

He's self confessed and a little obsessed

Gets money from his parents to try and impress

I guess that's adolescence at it's best

He's never put to the test but still distressed

And he keeps a bottle inside his vest

I guess that's adolescence at it's best

He says "live fast and die young,

Forget the past and move on,

what's done is done"

He says "live fast and die young,

Forget the past and move on,

you're only young once"

Woa-oh, oh, oh

Woa-oh, oh, oh

Woa-oh, oh, oh, oh-oh oh oh

Hangs about at the skateparks,

with is lighter and his pack of cards

He knows he's going nowhere

Maybe if life wasn't so hard,

if he got off to a better start

He'd be somewhere

He's self confessed and a little obsessed

Gets money from his parents to try and impress

I guess that's adolescence at it's best

C

He's never put to the test but still distressed

And he keeps a bottle inside his vest

I guess that's adolescence at it's best

He says "live fast and die young,

Forget the past and move on,

what's done is done"

He says "live fast and die young,

Forget the past and move on,

you're only young once"

Woa-oh, oh, oh

Woa-oh, oh, oh

Woa-oh, oh, oh, oh-oh oh oh

I'll keep calm and carry on whilst he's drunk all night long

He'll sit with guitar and play another song

Then he'll give me a phone

Another five am call, sitting worried in my hall

Will he come home tonight before it gets light?

I guess he might

I'll keep calm and carry on, whilst he's drunk all night long,

'cause he'll be home by dawn

I'll keep calm and carry on, whilst he's drunk all night long,

'cause he'll be home by dawn

And he says "live fast and die young,

Forget the past and move on,

what's done is done"

He says "live fast and die young,

Forget the past and move on,

you're only young once"

Woa-oh, oh, oh

Woa-oh, oh, oh

Woa-oh, oh, oh, oh-oh oh oh

What's done is done

## Acordes
