

# Nina Nesbitt - The Outcome

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa

D)

Now I've got a fainting heart

You leave and it all goes dark

Wake up in the light so cold

If you feel the same I never know

Is this the way that you wanted?

Are you certain?

I'll be your all or nothing

So what's the outcome?

Was I just someone?

But I'll tell you one thing

I'm all or nothing, it's all or nothing now

It's your decision

This love for division

We're all together nothing now

Feel like I've committed a crime

Waiting to resume my life

I'm waiting between heaven and hell

Maybe you should ask yourself

Is this the way that you wanted?

Are you certain?

I'll be your all or nothing

So what's the outcome?

Was I just someone?

But I'll tell you one thing
