Drinking till we went home

Until we got too cold

In a shop with clothes

Her on the cover, her on the shelf

A G A  
Really all I needed was myself

D  
But we've all cried over someone

A  
Got drunk and lied to our mum

Em G  
When we were two worlds away

A  
Of who we are today

D  
So it's alright feeling like you've

A  
Nothing left in you to prove

Em G  
'Cause you're always two worlds away

G D A Em  
Of who you'll be one day

G D A Em G  
Of who you'll be one day

D A Em  
See by that old brick wall

On my way to meet that guy

G  
Who I loved so

D A Em  
And it had only been a month

G  
But I swore he was the one
