Tom: **A**

**Bm** **E**  
Baby come down,  
**Bm** **E**  
I'll be friend,  
**Dbm** **Gbm**  
show you around,  
**Dm**  
'till the bitter end.

**Gbm** **D**  
You would wake up in the early morning sun,  
**A** **E**  
pray to god that you are not the only one,  
**Gbm** **D**  
who has to fight it when the world knocks on your door,  
**A** **E**  
who hasn't worked out what it is you're fighting for.

**Bm** **E**  
Baby come down,  
**Bm** **E**  
I'll be friend,  
**Dbm** **Gbm**  
show you around,  
**Dm**  
'till the bitter end.

**Gbm** **D**  
Give me something I can really understand,  
**A** **E**  
paint a picture where the world lies in my hand,  
**Gbm** **D**  
make it simple, make it starting from today,

**A** **E**  
you know I wouldn't want it any other way.

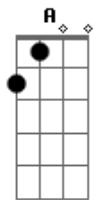

**Bm** **E**  
Baby come down,  
**Bm** **E**  
I'll be friend,  
**Dbm** **Gbm**  
show you around,  
**Dm**  
'till the bitter end.

**E** **Bm**  
I tried to find someone who cares,  
**E** **Bm**  
it never gets you anywhere.

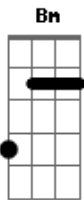

**Bm** **E**  
Baby come down,  
**Bm** **E**  
I'll be friend,  
**Dbm** **Gbm**  
show you around,  
**Dm**  
'till the bitter end.

**Bm** **E**  
Baby come down,  
**Bm** **E**  
I'll be friend,  
**Dbm** **Gbm**  
show you around,  
**Dm**  
'till the bitter end.
