

Nine Black Alps - Southern Cross

Tom: C

tabbed by Sam King

tune down a tone and drop the bottom string another tone (CGCFAD). this is one of my favourite nba songs, the opening riff is just class, i hope you enjoy playing it!

Intro: -the accuracy isnt so important on hitting the top notes, just get a few to get the right sound!

verse-these are mainly the chords, they pick out some of the notes but you can work it out by listening to it

this southern cross...

bridge

i tried to make it...

so what do i do...
middle

guitar one means bend up to 10

} all together
guitar two-very fast picking }
