

Nine Inch Nails - Down In It

Tom: **E**

On the album I'm pretty sure this is a synthesizer part, but this is the way I think that they played it at Woodstock II.

E Bar chords primarily on the 8th and 9th frets here's the fingering:

```

      I I I I I
      X X X X X
      I I X I I
      I X X I I
    
```

Use an upstrum every time, only hit the highest 3 or 4 strings.
 \ - downstrum
 - softly

8th 8th
 Now I'm down in it Now I'm down in it

8th
 Kinda like a cloud I was up way up in the sky

8th
 and I was feeling some feeling you wouldn't believe

8th
 Sometimes I don't believe in myself and I decided I was never coming down

8th
 Just then a tiny little dot caught my eye it was just about to small to see

9th 8th
 But I watched it way too long it was pulling me down

8th 9th
 (chorus)

(8th) 9th 8th
 I was up above it I was up above it

6th 5th\
 Now I'm down in it

(8th) 9th 8th
 I was up above it I was up above it

6th 5th\
 Now I'm down in it

(no guitar)
 Shut up so what what does it matter now
 I was swimming in the haze now I crawl on the ground
 And everything I never liked about you is kinda seeping into me
 Try to laugh about it now but isn't it funny how everything works out
 "I guess the jokes on me," she said

(chorus)

9th
 I used to be so big and strong

9th
 I used to know my right from wrong
 I used to never be afraid
 I used to be somebody

9th
 I used to have something inside

9th
 Now it's just this hole that's open wide
 I used to want it all
 I used to be somebody

(no guitar)
 I'll cross my heart I'll hope to die but the needle's already in my eye
 And all the world's weight is on my back, I don't even know why
 What I used to think was me is just a fading memory
 I looked him right in the eye and said goodbye
 (play through regular chorus)

(8th) 9th 8th
 I was up above it I was up above it

6th 5th\
 Now I'm down in it

I was up above it

Rain rain go away come again some other day
 8th 9th 6th 5th\
 Rain rain go away come again some other day
 8th
 Rain rain go away come again some other day
 8th 9th 6th 5th\
 Rain rain go away come again some other day

(8th)
 I was up above it
 uhhhhhhhhhh
 8th 9th
 I was up above it
 6th 5th\
 uhhhhhhhhhh ahh
 Now I'm down in it
 I was up above it
 uhhhhhhhhhhh owwwwwwwwwwwwwwwwww
 Now i'm down in it
