

Nine Inch Nails - Every Day Is Exactly The Same

Tom: G ΕM CM EM CM EM CM GM F#M Notes: This version was made for an acoustic-only act, it sounds real Chorus - Repeat 4x military-style snare beat. Some parts (particularly the CM GM bridge) include $\mbox{synt}\mbox{\Bar{h}}$ parts, so it will need modifying for a full band Bridge setting. I wrote this with an acoustic act in mind. This is my first published part 1 tab, so any and all feedback would be greatly appreciated. If you save this to a file, part 2 use font Lucida Console size 10.
