

Nino Aras - Serenata Em Diamantina

Tom: D

Houve essa linda serenata
 Junto dessa luz que ilumina
 Nessa noite linda e enluarada
 Com o brilho de estrelas que fascina

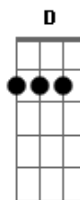

Ao manto celestial e negro
 O lampião da rua traz penumbra
 O silencio dobra para ouvir

O sereno chora sobre nós

Nessas ruas curvas seresteiras
 Abre a janela linda e estima
 Põe se sobre a mesma a debruçar
 No casarão em nossa Diamantina

Inclina se de cima ao violão
 Que chora por ti um beijo seu
 Nas cordas sonoras tecem notas
 Desse trovador que te cedeu
