               Dm
Intro: Dm
[Primeira Parte]
Raised in shadows, pennies in my hand
Worked through dawn to shift the plan
They said my fate was written, set to fail
But I burned bright, rewriting my tale

Break the sky, I rise, I shine
        Bb C Dm
Victory?s mine, I claim the line

Unleashed, I soar, unstoppable fire

Living my dreams, climbing higher
[Segunda Parte]
Books my weapon, heart my steady guide
Each job I took built my pride
From empty streets to stages that glow
I carved my path where dreams could grow
