

Nira Sol - Summer Light

```
tom:
               Fhm
Intro: Ebm Db Ebm
[Primeira Parte]
I saw you dancing in the sunlight's \underline{\mathtt{glow}}
The breeze carrying your heart, so slow
Your smile?s a beacon, bright and bold
Guiding my ship through the dark and cold
          Db
Every word you say?s a melody
  В
            Db
Your eyes linger in my fantasy
[Refrão]
You?re my summer light
Db
Warming up my heart tonight

Db Ebm

Even in the rain, I know
            Db
Your glow will never fade, my love
     Db
Oh-oh-oh, my darling
  Bbm
You?re my summer light
[Interlúdio] Ebm Gb Db Ebm
[Segunda Parte]
Cold nights come to hold me tight
        Db
But your warmth stays burning bright
In your absence, I try to find
         Db Ebm
That dream to keep you in my mind
           Bbm
Every word you say?s a melody
             Db Ebm
Your eyes linger in my fantasy
```
