She eyes me like a Pisces when I am weak

**Abm E Db**

I've been locked inside your heart shaped box for weeks

**Abm E Db Db7**

I've been drawn into your magnet tar pit trap

**Abm E Db Db7**

I wish I could eat your cancer when you turn black

**Abm E**

Hey, wait

**Db**

I got a new complaint

**Abm E Db**

Forever in debt to your priceless advice

Your advice

Meat-eating orchids forgive no one just yet

Cut myself on angel hair and baby's breath

Broken hymen of your highness, I'm left black

Throw down your umbilical noose so I can climb right back
