Lyrics

Verse 1 and 3

Fill me in on your new vision
Wake me up with indecision
Help me trust your mighty wisdom
Yes I eat cow- I am not proud.

Verse 2 and 4

Show me how you question, question
Lead the way to my temptations
Take my hand and give it cleaning
Yes I eat cow- I am not proud.

Chorus

Easy in an easy chair
Poop as hard as a rock.
I don't like you anyway
Silly little fucks

I'm new
Damn you
