

Nirvana - My Girl

Tom: E

My girl, my girl, don't lie to me,
 Tell me where did you sleep last night?
 In the pines, in the pines, where the sun don't ever shine,
 I would shiver the whole night through.

My girl, my girl, where will you go?
 I'm going where the cold wind blows
 In the pines, in the pines, where the sun don't ever shine
 I would shiver the whole night through

Her husband, was a hard working man

Just about a mile from here
 His head was found in a driving wheel
 But his body never was found

My girl, my girl, don't lie to me,
 Tell me where did you sleep last night?
 In the pines, in the pines, where the sun don't ever shine
 I would shiver the whole night through

My girl, my girl, where will you go?
 I'm going where the cold wind blows
 In the pines, in the pines, where the sun don't ever shine
 I would shiver the whole night through
