(riff)

if I had loose mile  
If I had to touch felling  
I would loose my soul  
the way I do  
I don't have to think  
I only have to do it  
teh results are always perfect  
but that's old news  
would you like to hear my voyce?  
sweetened with emotion  
invented at your birth

(refrão)

**G** **E** **G** **E**  
I can't see the end of me

My whole expanse I cannot see
