Congratulations you have won
It's a years subscription of bad puns.

And it makes your story our concern
And you set it up for returns (Alt: You said it all and you glory burns)

My opinions. Mmm. Mmm. (x4)

And there seems to be a problem here.

And you had an affect on our happy talk.

Our opinions. Mmm. Mmm. (x2)
My opinions. Mmm. Mmm. (x2)
