(repita a mesma sequencia de acordes)
goodbye papa please pray for me
i was the black sheep of the family
you tried to teach me right from wrong
too much wine and too much song
wonder how i got along

D
We had joy, we had fun,

E
we had seasons in the sun
A
But the hills that we climbed
D
Were just seasons out of time

(repita a mesma sequencia anterior)
All are lives we had fun,
we had seasons in the sun
But the stars that we reached
where just starfish on the beach.

goodbye michelle my little one
you gave me love and helped
me find the sun
and every time that i was down
you would always come around
and get my feet back on
the ground

We had joy, we had fun, we had seasons in the sun
But the hills that we climbed
Were just seasons out of time

We had joy, we had fun, we had seasons in the sun
But the stars that we reached where just starfish on the beach.

We had joy, we had fun, we had seasons in the sun
But the hills that we climbed
Were just seasons out of time

We had joy, we had fun, we had seasons in the sun
But the stars that we reached where just starfish on the beach.
