Goodbye, my friend, it's hard to die C

We had joy, we had fun, we had seasons in the Sun C
But the hills that we climbed G
Were just seasons out of time C

All our lives, we had fun, we had seasons in the Sun C
But the stars that we reached where just starfish on the beach D

I was the apple of the shining Sun D
And I have loved you every week C
All my tears are salty D
I think that now I will start to leave G
