

Nirvana - Smells Like Teen Spirit

```
Hello, hello, hello, how low
Intro: 4X: F Bb Ab Db
                                                                       Hello, hello, hello, how low
                                                                      Hello, hello, hello...
Riff 1:
                                                                      Refrão:
        (6x)
                                         (4x)
                                                                      With the lights out
                                                                              Ab Db
Riff 2:
                                                                       It's less dangerous
                                                                             F Bb Ab Db
                                                                      Here we are now entertain us

F Bb Ab Db

I feel stupid and contagious

F Bb Ab Db
(Riff 1)
(FBbAbDb)
                                                                      Here we are now entertain us

F Bb Ab Db

A mulatto, an albino

F Bb Ab Db

A mosquito my libido
Load up on guns and bring your friends
It's fun to lose and to pretend
She's over bored and self assured
Oh, no, I know a dirty word
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
                                                                       (Riff 2)
                                                                           F E F Gb F E F Bb Ab (2x)
Hello, hello, hello...
                                                                                             Hey
                                                                                                                         Yay
Refrão:
                                                                       Solo:
                                                                       (Riff 1)
                                                                       (F Bb Ab Db)
          F
With the lights out
                                                                       And I forget just why I taste
        Ab Db
                                                                       Oh yeah, I guess it makes me smile
It's less dangerous
                                                                       I found it hard, it's hard to find
                                                                       Oh well, whatever, nevermind
      F Bb Ab
Here we are now entertain us

F Bb Ab Db

I feel stupid and contagious
                                                                      Hello, hello, hello, how low
                                                                       Hello, hello, hello, how low
    F Bb Ab Db
                                                                       Hello, hello, hello, how low
Here we are now entertain us F Bb Ab Db
                                                                      Hello, hello, hello...
A mulatto, an albino

F Bb Ab Db

A mosquito my libido
                                                                      Refrão:
                                                                       With the lights out
                                                                              Ab Db
                                                                       It's less dangerous
F Bb Ab Db
    FEFGbFEFBbAb(2x)
                       Hey
                                                                       Here we are now entertain us

F Bb Ab Db
(Riff 1)
                                                                       I feel stupid and contagious F Bb Ab Db
(FBbAbDb)
I'm worse at what I do best
                                                                      Here we are now entertain us

F Bb Ab Db

A mulatto, an albino

F Bb Ab Db

A mosquito my libido
And for this gift I feel blessed
Our little group has always been
And always will until the end
Hello, hello, hello, how low
                                                                       A denial (9x)
Acordes
