Swap Meet

They lead a lifestyle that is comfortable
 They travel far to keep their stomachs full
 They make their living off of arts and crafts
 The kind with seashells, driftwood and burlap

They make a deal when they come to town
 The Sunday swap meet is a battle ground
 She loves him more than he will ever know
 He loves her more than he will ever show

Keeps his cigarettes close to his heart
 Keeps her photographs close to her heart
 Keeps the bitterness close to the heart
