

Nirvana - Where Did You Sleep Last Night

Tom: E

(2X)

My girl, my girl, don't lie to me,
Tell me where did you sleep last night?
In the pines, in the pines, where the sun don't ever shine,
I would shiver the whole night through.

My girl, my girl, where will you go?
I'm going where the cold wind blows
In the pines, in the pines, where the sun don't ever shine
I would shiver the whole night through

Her husband, was a hard working man
I would shiver the whole night through

Just about a mile from here

His head was found in a driving wheel
But his body never was found

My girl, my girl, don't lie to me,
Tell me where did you sleep last night?
In the pines, in the pines, where the sun don't ever shine
I would shiver the whole night through
