

# No Doubt - I'm Just A Girl

Tom: **D**

Intro:

Take this pink ribbon off my eyes  
I'm exposed  
And it's no big surprise  
Don't you think I know  
Exactly where I stand  
This world is forcing me  
To hold your hand

'Cause I am just a girl, little ol' me  
Don't let me out of your sight  
I'm just a girl, all pretty and petite  
So don't let me have any rights  
Oh...I've had it up to here!  
Intro:

(while gwen sings:)  
The moment that I step outside  
So many reasons  
For me to run and hide  
I can't do the little things  
I hold so dear  
'Cause it's all those little things  
That I fear

'Cause I am just a girl  
I'd rather not be  
'Cause they won't let me drive  
Late at night  
I'm just a girl  
Guess I'm some kind of freak  
'Cause they all sit and stare  
With their eyes

I'm just a girl  
Take a good look at me  
Just your typical prototype  
Oh...I've had it up to here!

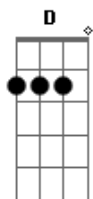

Solo:

Oh...I'm I making myself clear! x1  
Intro: Intro:  
(while gwen sings:)  
I'm just a girl  
I'm just a girl in the world...  
That's all that you'll let me be!

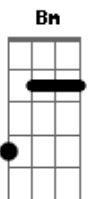

I'm just a girl, living in captivity  
Your rule of thumb  
Makes me worry some  
I'm just a girl, what's my destiny?  
What I've succumbed to  
Is making me numb  
I'm just a girl, my apologies  
(2nd guitar plays solo again)

What I've become is so burdensome  
I'm just a girl, lucky me  
Twiddle-dum there's no comparison  
Oh...I've had it up to!  
Oh...I've had it up to!  
Oh...I've had it up to here!
