

# No Doubt - Just a Girl

Tom: **A**

(G. Stefani, T. Dumont)

Take this pink ribbon off my eyes  
I'm exposed  
And it's no big surprise  
Don't you think I know  
Exactly where I stand  
This world is forcing me  
To hold your hand

'Cause I'm just a girl, little ol' me  
Don't let me out of your sight  
I'm just a girl, all pretty and petite  
So don't let me have any rights  
Oh... I've had it up to here!

The moment that I step outside  
So many reasons  
For me to run and hide  
I can't do the little things  
I hold so dear  
'Cause it's all those little things  
That I fear

'Cause I'm just a girl,  
I'd rather not be  
'Cause they won't let me drive  
Late at night  
I'm just a girl,  
Guess I'm some kind of freak  
'Cause they all sit and stare  
With their eyes  
I'm just a girl,  
Take a good look at me  
Just your typical prototype  
Oh... I've had it up to here!  
Oh... am I making myself clear?

I'm just a girl  
I'm just a girl in the world...  
That's all that you'll let me be!

I'm just a girl, living in captivity  
Your rule of thumb  
Makes me worry some  
I'm just a girl, what's my destiny?  
What I've succumbed to  
Is making me numb  
I'm just a girl, my apologies  
What I've become is so burdensome  
I'm just a girl, lucky me  
Twiddle-dum there's no comparison

Oh... I've had it up to!  
Oh... I've had it up to!  
Oh... I've had it up to here

Main Riff

PM PM PM= Palm Mute

Chorus

**B A G A G C**

Synth. Solo

I've supplied all of the parts. You just have to piece them all together.  
If you are familiar with the song and parts, it should be easy. I didn't write down any other synth. parts other than the solo.
