

# No Doubt - Suspesion Without Suspense

Tom: **G**

This song has 3 types of guitars. There's a fix Acoustic Guitar (take a look at the chords), one FILL and a guitar with distorcion. All three use the same notes. The eletric guitar play only one time each chord. I also put the FILL (you have to do it with a Acoustic Guitar too) of each part, but I think you can get it when you listen the song. Sometimes Tom play the FILLS with a electric guitar with some efects, but it's pretty much the same thing. There's also 2 chord charts: 1 for the acoustic guitar and another one for electric guitar (distortion). Email me if u have questions.
