

Noah Kahan - Dan

tom:

G

Intro: Em Bm
C G

[Primeira Parte]

Everybody's asleep, let's talk about
Him

Let's talk about high school, talk
About death

Talk about the long ride home from
The grave

How we were too fucked up on Thum's
Birthday

Seasonal bugs in a canvas tent

Seasonal friendships, I see the road
End

You're appealin' to the parts that

You know I hold dear

You've been the best five minutes of
A shitty old year

[Pré-Refrão]

And I'm so glad we're here

[Refrão]

?Cause I'm with my best friend Dan
Now, campin' on the county line

Hand around a Miller Lite, waitin'

For the sun to rise

Coupl? of hometown heroes fightin'
Ov?r politics

Sittin' and rememberin', young men

From different sides

[Post-Refrão]

And we're so alone most of the time

Most of the time, we don't have
Anyone

Where do we go when we die?

I wouldn't mind right here, I

Wouldn't mind at all

[Segunda Parte]

Mm, through the dyin' light of a

Flashlight lens

You tried to tell me how unfair it

Is

That I have what I have and you got

What you got

Said I'd give it all back if I

Could, I cannot

Loon calls pierce through the violet
Sky

I think I stood right here back when

Carlo died

Said I hated the way I made it all

About me

But every day from back then is like

A bad old dream

[Pré-Refrão]

And I can't fall asleep

[Refrão]

?Cause I'm with my best friend Dan
Now, campin' on the county line

Hand around a Miller Lite, waitin'

For the sun to rise

Coupl? of hometown heroes fightin'
Ov?r politics

Sittin' and rememberin', young men

From different sides

[Post-Refrão]

And we're so alone most of the time

Most of the time, we don't have
Anyone

Where do we go when we die?

I wouldn't mind right here, I
Wouldn't mind at all

[Ponte]

See the wasps hit the water and

Drown

See the lightnin' light the world

Land on Orange County ground

Flip a rock, see the bugs sleepin'

Sound

Hey, that's us, you and I will be

Found

[Pré-Refrão]

We ain't far from my house

[Refrão]

I'm with my best friend Dan now
Campin' on the county line
