

# Noah Kahan - Everywhere Everything

tom:  
Capotraste na 4ª casa  
Intro: C  
Ooh-ooh, ooh, ooh, ooh

It's been a long year

[Primeira Parte]

Would we survive in a horror movie

I doubt it, we're too slow moving

We trust everyone we meet

Two bodies riddled with scars from our pre-teens

Intertwined in a car's dirty backseat

And stare at a drive-in screen

[Pré-Refrão]

We didn't know that the sun was collapsing

'Til the seas rose and the buildings came crashing

We cried oh, oh-oh, oh, oh-oh, oh

[Refrão]

Everywhere, everything, I wanna love you

'Til we're food for the worms to eat

'Til our fingers decompose

Keep my hands in yours

Everywhere, everything, I wanna love you

'Til we're food for the worms to eat

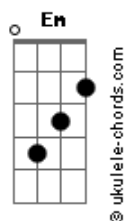

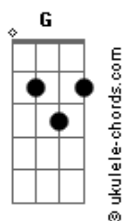

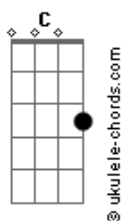

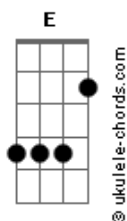

'Til our fingers decompose

Keep my hands in yours

[Segunda Parte]

Ooh-ooh, ooh, ooh, ooh, ooh

## Acordes

Drive slowly, I know every route in this county

Maybe that ain't such a bad thing

I'll tell you where not to speed

It's been a long year

And all of our book's pages dog-eared

We'll write out the ends on our palms dear

Then forget to read

[Pré-Refrão]

We didn't know that the sun was collapsing

'Til the seas rose and the buildings came crashing

We cried oh, oh-oh, oh, oh-oh, oh

[Refrão]

Everywhere, everything, I wanna love you

'Til we're food for the worms to eat

'Til our fingers decompose

Keep my hands in yours

Everywhere, everything, I wanna love you

'Til we're food for the worms to eat

'Til our fingers decompose

Keep my hands in yours
