

Noah Kahan - Northern Attitude

tom:
E (forma dos acordes no tom de Eb)
Capostrate na 1ª casa

[Primeira Parte]

Breathing in, breathing out
How you been? You settled down?
Feeling right, feeling proud
How are your kids
Where are they now?

[Pré-Refrão]

You build a boat, you build a life
You lose your friends, you lose your wife
You settle in, to routine
Where are you? What does it mean?

[Refrão]

If I get too close
And I'm not how you hoped
Forgive my northern attitude
Oh, I was raised out in the cold
If the sun don't rise
'Til the summertime
Forgive my northern attitude
Oh, I was raised on little light

[Segunda Parte]

Bought some shit, searched online
You're getting lost, you're getting high
All alone, late in life

Scared to live, scared to die

[Pré-Refrão]

You build a boat, you build a life
You lose your kids, you lose your wife
You settled down, feeling lost
Getting stoned, then kicking rocks

[Refrão]

If I get too close
And I'm not how you hoped
Forgive my northern attitude
Oh, I was raised out in the cold
If the sun don't rise
'Til the summertime
Forgive my northern attitude
Oh, I was raised on little light

Ohhh Ohhh
Ohhh Ohhh
Ohhh Ohhh
Ohhh Ohhh

[Final]

If you get too close
And I'm not how you hoped
Forgive my northern attitude
Oh, I was raised out in the cold
If the sun don't shine
'Til the summertime
Forgive my northern attitude
Oh, I was raised on little light
