Am C F Am

[Verse 1]

Am C  
I would ask you how you've been  
F  
It's all over the internet  
Am Am  
But, hey, I mean you knew that after  
All  
Am C  
If you're looking for autopsy  
F  
Or a half-assed half-apology  
Am Am  
Then I think you picked the wrong  
Time to make this call

[Verse 2]

Am C  
It is not irrelevant  
F  
That you stopped talking your  
Medicine  
Am  
But I'm giving you the benefit  
'Cause its raining out  
Am C  
And I'll tell you how the weather is  
F Am  
And you'll slip into some elegantly  
Am  
Ramblin' mixed messaging, I should  
Am  
Shut you down

[Refrain]

F  
But it's cold, and it's cold  
F  
And it's cold  
F  
And it's cold  
F Am  
And it's cold  
F  
And I don't know, I'm alone  
F  
I'm alone  
F  
I'm alone  
Am  
I'm alone

[Verse 3]

Am  
I hope you tell me that you're  
C  
Winding down  
F  
That you've lost the taste to face  
The crowd  
Am Am  
That whatever made you famous made  
You sick  
Am C  
That you can only do what pain  
Allows  
F  
It ain't up to you to make it out  
Am Am  
And there ain't no shame in callin'  
This thing quits

[Refrain]

F  
But you don't, and you don't  
F  
What you don't  
F  
And you don't

Your dad's road needs salt  
Am  
And I'll try to drown out all the  
C  
Talk  
F Am  
The eyeballs in the parking lot  
Am
