

Noah Kahan - Save Me

Tom: **G**

I'm so passive, too sarcastic
Bm Shut you out just out of habit
C I don't know
G So I spent five months out here treading water
Bm Now I wonder why you bothered
C I don't know
C D Let me go
G Why do you keep reaching for my hand? **Em**
C Do you see something I can't?
G D G Why do you try to save me?
Em This fate is well deserved
C I only make things worse
G D G Why do you try to save me?
G Have I served my sentence? Learned my lesson?
Bm Healed those wounds from my indiscretions?
C I don't know
G **Am** I still so selfish? Exile ended?
Bm

What do you see in my misdirections?
C I don't know
C D Let me go
G Why do you keep reaching for my hand? **Em**
C Do you see something I can't?
G D G Why do you try to save me?
Em This fate is well deserved
C I only make things worse
G D G Why do you try to save me?
Em G And sometimes, I pray
C That maybe I will change
Em G G D C Into who you think I am
G Why do you keep reaching for my hand? **Em**
C Do you see something I can't?
G D G Why do you try to save me?
Em This fate is well deserved
C I only make things worse
G D C Why do you try to save me?
G D G Why do you try to save me?
