

Noah Kahan - Sink

Tom: Bb

(com acordes na forma de A)

Capostrate na 1ª casa

A D
Oh, she hates to say goodbye

A D
So she only says goodnight

Gbm D
When she goes, she stops to look behind

A D
And I'll sink

A D
Oh, she sleeps with one eye closed

A D
So she can tell when she's alone

Gbm D
Oh no, yeah, summer comes and goes

A E
But I'll sink

Gbm D A E
Oh, she's the sunset in the west

Gbm D A E
Oh, she's sleep when I need rest

Gbm D A
And though the ship can be saved yet

E Gbm D A
And oh, for you, I would never sink again

E Gbm D A
And oh, for you, I would never sink again

(A D)

A D
Oh, she promises to write

A D
I know it's harder if she tries

Gbm D
So I have grown to tell myself a lie

And I'll sink

A D
Time slows to let me talk alone

A D
High hopes don't last me very long

Gbm D
Winding roads, they never seem to stop

A
But I'll sink

Gbm D A E
Oh, she's the sunset in the west

Gbm D A E
Oh, she's sleep when I need rest

Gbm D A
And though the ship can be saved yet

Gbm D A
And oh, for you, I would never sink again

Gbm D A
And oh, I would never sink again

Gbm D A
And oh, I would never sink again

Gbm D A
And oh, I would never sink again

E Gbm D A
And oh, for you, I would never sink again

E Gbm D A E
And oh, for you, I would never sink again

Gbm D A E
Oh, she's the path in which I tread

Gbm D A E
Oh, she's the shiver up my neck

Gbm D A
Oh, she's the blood rush to my head

E Gbm D A
Oh, for you, I would never sink again

E Gbm D A
And oh, for you, I would never sink again
