tom: B (forma dos acordes no tom de G) Capotraste na 4ª casa [Intro]

G G C G C G G C

[Primeira Parte]

G
We drank, and I convinced you that the wildfire smog was
The Northern Lights
G
Lately, I've been lookin' at you harder, just takin' you in
G
At the callus on your fingers from the handbrake grips on
Your junkyard bikes
G
Your boots so filled with water, I mean, soakin' wet

[Pré-Refrão]

G C
But you could punch me in the gut
G Am
And it wouldn't hurt like watchin' you grow smaller on the
C
Backroad
Am C
And I never ask for much
G Am C
But I hope that Logan crumbles and gets hit by a tornado

[Refrão]

C Em G D C
Oh, I can't keep on starting over
Em G D
Sleepin' in a bed half empty, daydreamin'
C Em G D C
All love must leave, oh, but search for it I will
Em G D C Em G
Honey, tell me, are you good at staying still?
D
Are you good at staying still?
Oh, well, will you up and leave
C G G C G C
Or will you be there in the mornin'?

[Segunda Parte]

G G C
I always hated the sunlight at 3 PM
G G C
Where it's too soon to quit thinkin', too late to change
anythin'
G G C
I'm racking my brain for the one line that would change your
mind
G G C

I'm showin' you plane crashes online, couldn't hurt to try

[Pré-Refrão]

G C
But the Charles meets the Sun
G
And the Harvard track team runs
Am C
Past my truck, stuck on Storow
Am C
And I never ask for much
G Am C
But I hope that Logan crumbles and gets hit by a tornado

[Refrão]

C Em G D
'Cause I can't keep on starting over
C Em G D
Sleepin' in a bed half empty, daydreamin'
C Em G D C
All love must leave, oh, but search for it I will
Em G D C
Honey, tell me, are you good at staying still?
Em G D C Em G
Honey, tell me, are you good at staying still?
D C Em G
Are you good at staying still?

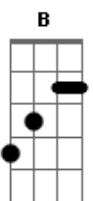

[Ponte]

Em G
Put in love, put in hours, put in ceremony
C
As I was, how you were, what was there before me
Em G C
Never mind, never mind, oh, forget about it
I'll be good, I'll be fine, I can laugh about it

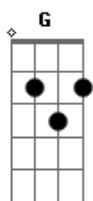

[Refrão]

C Em G D
I try to keep on starting over
C Em G
I'm sleepin' in a bed half empty, daydreamin'
C Em G D C
All love must leave, oh, but search for it I will
C Em G D C Em G
Honey, tell me, are you good at staying still?
D C Em G
Are you good at staying still?
D
Are you good at staying still?
C
Oh, well, will you up and leave
Or will you be there in the mornin'?
