

# Noah Kahan - The Great Divide

tom:

Intro: Am G C F

[Primeira Parte]

C Dm F  
I can't recall the last time that we talked  
C Dm F  
About anything but looking out for cops  
C Dm F  
We got cigarette burns in the same side of our hands  
C  
We ain't friends, we're just morons  
Dm F  
Who broke skin in the same spot  
C Dm F  
But I've never seen you take a turn that wide  
C Dm F  
And I'm high enough to still care if I die  
C Dm F  
So I tried to read the thoughts  
F  
That you'd worked overtime to stop  
C Dm F  
You said fuck off, and I said nothing for a while

[Pré-Refrão 1]

F C  
You know I think about you all the time  
Em F  
And my deep misunderstanding of your life  
F C  
And how bad it must have been for you back then  
Em F  
And how hard it was to keep it all inside

[Refrão 1]

F C  
I hope you settle down, I hope you marry rich  
Em F  
I hope you're scared of only ordinary shit  
F C  
Like murderers and ghosts and cancer on your skin  
Em F  
And not your soul and what He might do with it

[Interlude] Am G C F

[Segunda Parte]

C Dm F  
You inched yourself across the great divide  
C Dm F  
While we drove aimlessly along the Twin State line  
C Dm F  
I heard nothing but the bass in every ballad that you'd play  
C Dm F  
While you swore to God the singer read your mind  
C Dm F  
But the world is scared of hesitating things  
C Dm F  
Yeah, they only shoot the birds who cannot sing  
C Dm F  
And I'm finally aware of how shitty and unfair  
C Dm F  
It was to stare ahead like everything was fine

**Acordes**

[Pré-Refrão 2]

F C  
You know I think about you all the time  
Em F  
And my deep misunderstanding of your life  
F C  
And how bad it must have been for you back then  
Em F  
And how hard it was to keep it all inside

[Refrão 2]

F C  
I hope you settle down, I hope you marry rich (oh-oh)  
Em F  
I hope you're scared of only ordinary shit (oh-oh)  
F C  
Like murderers and ghosts and cancer on your skin (oh-oh)  
Em F  
And not your soul and what He might do with it

[Post-Refrão]

Am G C F  
Ah-lord

[Ponte]

Em F  
Rage, in small ways  
Em F  
Did you wish that I could know  
Em F  
That you'd fade to some place  
Em F  
I wasn't brave enough to go?

[Refrão 3]

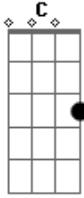

F C  
I hope you settle down, I hope you marry rich  
Em F  
I hope you're scared of only ordinary shit  
F C  
Like murderers and ghosts and cancer on your skin  
Em F  
And not your soul and what He might do with it

[Post-Refrão 2]

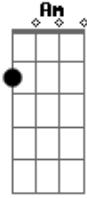

F Am G C F  
Ah (ah), woah  
Am G C F  
Ah  
Am G C F  
Ah, Lord  
Am G C F  
Ah

[Final]

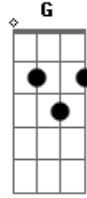

F C  
I hope you threw a brick right into that stained glass  
Em F  
I hope you're with someone who isn't scared to ask  
F C  
I hope that you're not losing sleep about what's next  
Em F  
Or about your soul and what He might do with it
