

Noah Kahan - The Great Divide

tom:

Eb (forma dos acordes no tom de B)

Capostrate na 4ª casa

Intro: Em G C7M C
Em G C7M C

[Verse 1]

G Am G
I can't recall the last time that we
C7M
Talked
G Em
About anything but looking out for
C7M
Cops

G Am
We got cigarette burns in the same
C7M
Side of our hands

G Am
We ain't friends, we're just morons
Em C7M
Who broke skin in the same spot

G Am
But I've never seen you take a turn
C7M
That wide

G Em
And I'm high enough to still care if
C7M
I die

G Am
So I tried to read the thoughts that
C7M
You'd worked overtime to stop

G
You said, "Fuck off," and I said
Em C7M
Nothin' for a while

[Pre-Chorus]

G
You know I think about you all the
Time
Bm C7M
And my deep misunderstanding of

C
Your life

G
And how bad it must have been for
You back then
Bm C
And how hard it was to keep it all

C
Inside

[Chorus]

G
I hope you settle down, I hope you
Am G
Marry rich

Bm
I hope you're scared of only
C7M
Ordinary shit

C
Like murderers and ghosts and
G Am G
Cancer on your skin

Bm
And not your soul and what He
C7M
Might do with it

[Interlude]

Em G C
Em G C

[Verse 2]

G Am

You inched yourself across the great
C
Divide

G Am
While we drove aimlessly along the
C C7M
Twin State line

C7M G Am
I heard nothing but the bass in
C
Every ballad that you'd play

G Am
While you swore to God the singer
C C7M
Read your mind

G
But the world is scared of
Am C
Hesitating things

G Am
Yeah, they only shoot the birds who
C C7M
Cannot sing

G Am C7M
And I'm finally aware of how shitty
And unfair

G
It was to stare ahead like
Am C7M
Everything was fine

[Pre-Chorus]

G
You know I think about you all the
Time
Bm C
And my deep misunderstanding of

C7M G
Your life
And how bad it must have been for

You back then
Bm C
And how hard it was to keep it all

C7M
Inside

[Chorus]

G
I hope you settle down, I hope you
Am G
Marry rich (Oh-oh)

Bm
I hope you're scared of only
C
Ordinary shit (Oh-oh)

G
Like murderers and ghosts and cancer
Am G
On your skin (Oh-oh)

Bm
And not your soul and what He
C7M
Might do with it

[Post-Chorus]

Em G C
Ah-oh

[Bridge]

G C C7M
Rage, in small ways

Bm C
Did you wish that I could know

Bm C
That you'd fade to some place
Bm C
I wasn't brave enough to go?

[Chorus]

G

I hope you settle down, I hope you
Marry rich

Bm
I hope you're scared of only

C
Ordinary shit

Like murderers and ghosts and cancer
On your skin

Bm
And not your soul and what He

C7M
Might do with it

[Post-Chorus]

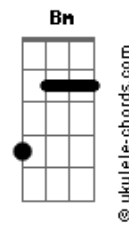

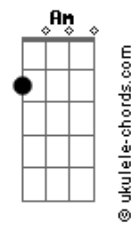

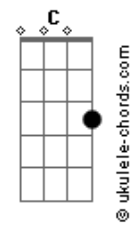

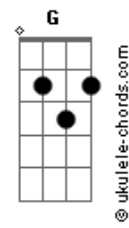

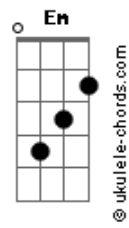

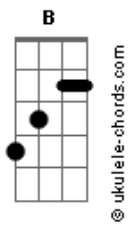

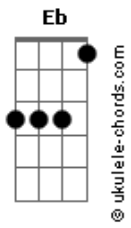

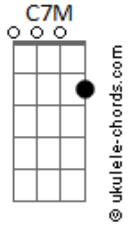

Ah (Ah), woah **Em G C**

Em G C

Ah

Em G C

Acordes

Ah, Lord

Em G C

Ah

[Final]

I hope you threw a brick right into

That stained glass

Bm
I hope you're with someone who

C
Isn't scared to ask

I hope that you're not losing sleep

About what's next

Bm
Or about your soul and what He

Might do with it
