

# Noah Kahan - Young Blood

Tom: B

(com acordes na forma de G )

Capostrate na 4ª casa

Intro: G D

Oh dear, oh dear, I'm sorry, That you grew up so soon  
A cold year with no high school parties, But I've been  
drinking alone, I've been  
drinking alone

So, don't fear, just don't fear their warnings, They're  
bitterer than most  
4 years of driving across the country, For empty  
seats at their shows, And they've been  
drinking alone

So

Keep your time, keep your mind, keep it humble  
Start your life in the middle of the jungle  
You... young, young blood

Rub your eyes, be surprised, keep hungry  
Stay alive and try to lose all of your money  
You... young, young blood  
You... young, young blood  
Young blood

So when you're mad for no reason, at everything  
at once, and when you start overthinking, I'll be

drinking at home, I'll be  
drinking at home

So

G Em C

Keep your time, keep your mind, keep it humble  
Start your life in the middle of the jungle  
You... young, young blood

Rub your eyes, be surprised, keep hungry  
Stay alive and try to lose all of your money  
You... young, young blood  
You... young, young blood  
Young blood

If you want I could tell the truth  
That this life takes its toll on you  
That I spend nights stitching up the loose threads of my soul  
And in the mornings I'm bullet proof

If you want I could tell the truth  
That this life takes its toll on you  
That I spend nights stitching up the loose threads of my soul  
And in the mornings I'm bullet proof

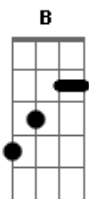

And in the mornings I'm bullet proof

So

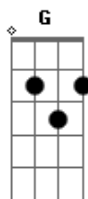

Keep your time, keep your mind, keep it humble  
Start your life in the middle of the jungle  
You... young, young blood

Rub your eyes, be surprised, keep hungry  
Stay alive and try to lose all of your money  
You... young, young blood  
You... young, young blood  
You... young, young blood  
Young blood
