G G G Gb  
 Oh dear, oh dear, I'm sorry, That you grew up so soon  
 Em Em Em Em  
 A cold year with no high school parties, But I've been  
 C C G G  
 drinking alone, I've been  
 C C C C

G G G Gb  
 So, don't fear, just don't fear their warnings, They're  
 bitterer than most  
 Em Em Em Em  
 4 years of driving across the country, For empty  
 C C G G  
 seats at their shows, And they've been  
 C C C C  
 drinking alone

So

G Em C  
 Keep your time, keep your mind, keep it humble  
 G Em C  
 Start your life in the middle of the jungle  
 Em G C C  
 You... young, young blood

G Em C  
 Rub your eyes, be surprised, keep hungry  
 G Em C  
 Stay alive and try to lose all of your money

 Em G C C  
 You... young, young blood  
 C

 So when you're mad for no reason, at everything  
 Em Em Em Em  
 at once, and when you start overthinking, I'll be
