I know I come home
A little to late

Waking you up

And making you wait

And all of your friends say I'm a fool

Maybe they're right

Dm Bm

But they don't know you like I do, do

G Dm

Baby, I'll never gonna give you up

A

Never gonna let you down

Bm

Even when it gets your doubts

Bm A G Dm

Ba-----by, I'll swear I'm gonna make it up

A

Never gonna let you down, down

Bm

Nothing's gonna stop us if you

G

Want me

Call me

Dm

Trust me

Just me

Jump with me

A

And I'm gonna set in my lesson

Bm

I got nothing but good intentions

G

Come with me

Run with me

Dm

Trust me

Baby, you're the one for me

A

And I'm gonna set in my lesson

I got nothing but good intentions
