

# NOAHFINNCE - After Therapy

tom:

Intro: It's gonna be so out of time

[Primeira Parte]

Stranger in the room and I don't know what to say  
And I don't know what to do but I'm lookin' for a change  
So I'm tellin' him the truth and it's written on his face  
Yeah, it's written on his face  
Feelin' 22 and I'm already behind  
And I'm talkin' like it's new but it's ten years on my mind  
Not saying "I'm doomed" but I'm closer there than fine  
Yeah, I'm closer there than fine

[Pré-Refrão]

Spill my guts out anyway  
Can't be worse than yesterday

[Refrão]

Life's not shitty, life's so great after therapy  
I love playing hide and seek with my anxiety  
Keep me talkin' I'll stop cryin' from the things I don't understand  
Take my money, at least I'll get a little clarity

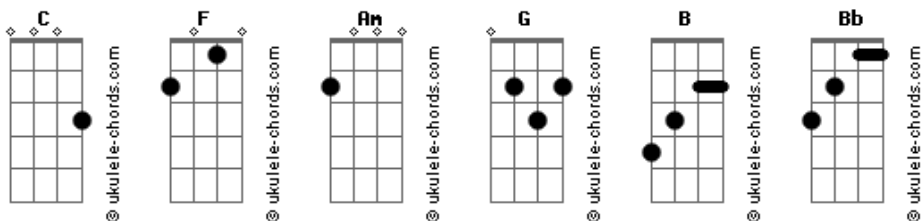

About how fucked I am

( C )

[Segunda Parte]

Yeah, got my hopes up and I'm underwhelmed  
And I'm dodging landmines, dropping bombshells

## Acordes

I don't wanna be this way forever

Thinking we'll be spending more time together

[Refrão]

Life's not shitty, life's so great after therapy  
I love playing hide and seek with my anxiety  
Keep me talkin' I'll stop cryin' from the things I don't understand  
Take my money, at least I'll get a little clarity

About how fucked I am

Hey, I don't know what I'm allowed to say  
I could try and paint me in a better place  
I could open up but it's not today  
Try and save face but then I'm to blame

[Ponte]

Guess I'm a little less fucked up but I'm broken  
Guess I'm not as lost as I once was  
'Cause the jump feels good but the falling sucks

[Refrão]

I love playing hide and seek with my anxiety  
Keep me talkin' I'll stop cryin' from the things I don't understand

[Final]

Guess I'm a little less fucked up but I'm broken
