

# Noel Gallagher - Alone On The Rope

Tom: A

(com acordes na forma de G )  
Capostrate na 2ª casa  
Intro: C Em  
( D )

I won't let your smile, get lost in the fog

I won't let your dreams, run away in the dark

Still recall the way you were

And that look in your eyes

Still recall the the way you were

And that look in your eyes

( C Em ) 2x

Can't hear the sound

A thought ringing in my ears

I still feel the pain

I've carried with me for years

Still recall the way you were

And that look in your eyes

Still recall the the way you were

And that look in your eyes

You can leave when the walls falling down

I can tell by the look in your eyes

You're alone on the rope and if you can't find no hope

Don't look down don't look down

( C Em ) 2x

You can leave when the walls falling down

I can tell by the look in your eyes

You're alone on the rope and if you can't find no hope

Don't look down don't look down

( C Em )
