Noel Gallagher - Do The Damage

Tom: E
Intro: E D C B A G E

Verso 1 (Somente o Baixo)

There's gold in the city
But never quite enough now to pay the rent
You could have had it all but the pity
As everything you're gonna need is heaven sent
Maybe the dream that we had is gone
The people 'round here are like a setting sun

```
                      G
```
They're digging you up when they're knocking you down
```
                    E
```
But they can't stop me from loving you
