Noel Gallagher - God Help Us All

```
Tom: G
Intro: Am C

Am
God help us all
       F  Am  Am      Am
If the heeeeeavens are to fall
Am
Stay by my side
      F Am   Am      Am
If the skyyy rips open wide

F             C
 Don't wait for me
              E              Am     (Am )
If I'm not here when you return
F             C
 If there's a God
                   E       Am    (Am )
You'll be crashing when you burn
        F         C
You could steal white light
       E              Am                F
That shines upon the world one left to go
           D  G  E     Am
Singing out shaaaaalaalaalala

Am
If I'm just a man
        F Am   Am        Am
Would I feeel God's shifting sand
Am
Come set me free
        F Am   Am     Am
Cos the world won't let me be

F             C
 Don't wait for me
              E           Am    (Am )
If I'm not here when you return
F             C
 If there's a God
```

```
            E              Am    (Am )
You'll be crashing when you burn
       F         C
You could steal white light
        E             Am               F
That shines upon the world one left to go
          D  G  E     Am
Singing out shaaaaalaalaalala

( Am      F  Am   Am   Am )

F             C
 Don't wait for me
              E              Am     (Am )
If I'm not here when you return
F             C
 If there's a God
                   E       Am    (Am )
You'll be crashing when you burn
        F         C
You could steal white light
        E             Am               F
That shines upon the world one left to go
          D  G  E     Am
Singing out shaaaaalaalaalala

Am
God help us all
       F  Am  Am      Am
If the heeeeeavens are to fall
Am
Stay by my side
      F Am   Am      Am
If the skyyy rips open wide
          F  Am Am  Am
Singing out shaaaaalaaalaaalala
          F  Am Am  Am
Singing out shaaaaalaaalaaalala
          F  Am Am  Am
Singing out shaaaaalaaalaaalala
          F  Am Am  Am
Singing out shaaaaalaaalaaalala
```
