

Noel Gallagher - It Makes Me Wanna Cry

Tom: **Bb**

(com acordes na forma de **G**)
Capotraste na 3ª casa
(**Em** **D** **C** **D**) 2x

Em **D** **C** **D**
I keep on running but I can't get to the mountain
Em **D** **C** **D**
Behind me lie the years that I mis-spent
Em **D** **C** **D**
And I've been sitting like a flower in the fountain
Em **D** **C** **D**
When all the love I'm gonna need is heaven sent
A
Gonna try my best to get there
C
But I can't afford the bus fare
D
the storm that's rolling over
A **C**
Man, it makes me wanna cry

Em **D** **C** **D**
When I was told The streets were paved with gold
Em **D** **C** **D**
And it be known time is getting on when we were young
Em **D** **C** **D**
It's alright, if you dance with me tonight
Em **D** **C** **D**
We'll fight the dying of the light and catch the sun
(**Em** **D** **C** **D**)

Em **D** **C** **D**
Woke up sleeping on a train that was bound for nowhere
Em **D** **C** **D**
The echoes that I could hear were all my own
Em **D** **C** **D**
The world had turned I'd become a stranger
Em **D** **C** **D**
Got tired of watching all the flowers turn to stone

A
Gonna try my best to get there
C
But I can't afford the bus fare
D
the storm that's rolling over
A **C**

Man, it makes me wanna cry

A
Feel the cold against my shoulder
C
When it comes on in the winter
D
And it seems to last forever
A **C**
And it makes me wanna, makes me wanna cry

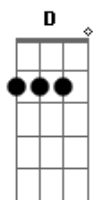

Em **D** **C** **D**
When I was told The streets were paved with gold
Em **D** **C** **D**
And it be known time is getting on when we were young
Em **D** **C** **D**
It's alright, if you dance with me tonight
Em **D** **C** **D**
We'll fight the dying of the light and catch the sun

A
Gonna try my best to get there
C
But I can't afford the bus fare
D
the storm that's rolling over
A **C**
Man, it makes me wanna cry

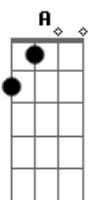

Em **D** **C** **D**
When I was told The streets were paved with gold
Em **D** **C** **D**
And it be known time is getting on when we were young
Em **D** **C** **D**
It's alright, if you dance with me tonight
Em **D** **C** **D**
We'll fight the dying of the light and catch the sun

A **C** **D**
And the cold against my shoulder
A
When it comes on in the winter
C
Man, it makes me wanna cry
A **C** **D**
And the cold against my shoulder
C
And seems to last forever
A **C** **D**
And it makes me wanna cry
