

Noel Gallagher - Stand By Me

```
Intro: G B7 C
Made a meal and threw it up on Sunday I've \frac{1}{2}
Gotta lot of things to learn
Said I would and I'll be leaving one day -
            G D
Before my heart starts to burn
So what's the matter with you?
      D Em
Sing me something new.. don't you know
The cold and wind and rain don't know
They only seem to come and go away
Times are hard when things have got no meaning
I've found a key upon the floor
                    B7
Maybe you and I will not believe the things we find
Behind the door
So what's the matter with you?
    D Em
Sing me something new.. don't you know
The cold and wind and rain don't know
They only seem to come and go away
Stand by me - nobody knows the way it's gonna be
                      Am
Stand by me - nobody knows the way it's gonna be
                      \mathsf{Am}
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows
              C
Yeah, nobody knows.....
The way it's gonna be
