Intro: 2x: D D2 D D D2 D Em G
          Em
One way out is all you're ever gonna get from
Those who'll hand them out
Don't ever let it upset you
Cos they'll put words into your mouth
Pré-Refrão:
They're making you feel so ashamed
They're making you taking the blame
Making you cold in the night
   G
They're making you question
Your heart and your soul
And I think that it's not quite right
               G
       Gb
Hey stay young and invincible
Cos we know just what we are

And come what may we're unstoppable
Cos we know just what we are
