

Noel Gallagher - The Man Who Built The Moon

Tom: Ab

(com acordes na forma de G)

Capostrate na 1ª casa

Intro: Em G D Am Em

Em
She was there
Em
Diamonds in her hair
Am Em
Singing out a dead man's song
Em
Here am I
Em
With the mighty and the high
Am Em
Feeling like I don't belong
Em
There's you in your book of who's who
Am Em
Acting like you just don't care
Em
We were lying low
Em
Got nowhere to go
Am
And any road will get us there

G D Am Em
We never should've left town in the first place
G D Am Em
Now we gotta walk like they talk in the rat race
G D Am Em
You keep your eyes on the prize if you want it all

Em
You and I
Em
The spider and the fly
Am Em
Will meet where the shadows fall

Em
Make room for the man who built the moon
Am Em
He arrived on a knackered horse
Em
Made no sound from the day he left town

Am Em
No one said a word of course
Em
I believe he was wearing on his sleeve
Am Em
A heart made of black and stone
Em
I said, my love
Em
I think I've had enough
Am Em
I'm gonna find my way back home

G D Am Em
We never should've left town in the first place
G D Am Em
Now we gotta walk like they talk in the rat race
G D Am Em
You keep your eyes on the prize if you want it all

Em
You and I
Em
The spider and the fly
Am Em
Will meet where the shadows fall
