Intro:

Intro: G G G G  
G C Em Em (2x)

Verso 1:

Many's the time when I found I'd lost my way, love  
I was stranded inside of a solid city wall  
With my hand on my heart, I couldn't tell you if I'd been dreaming  
Take me to my lover's arms, I won't wake up this time

Pré-Refrão:

Maybe I believe in magic, love  
Find it in the moon and stars above  
Drag it from the one horse town and I'll bring you down  
And I'll love you for all time

Refrão:

But it's alright  
You know we can't go back  
I said it's alright  
but you know we can't go back  
And when we can't go back

Verso:

Can't pass the time, well I guess must be leaving

Gone are the days and the dreams we screamed out loud

With my heart in my mouth, I couldn't tell you what just hit me

Take me to my lovers arms, I won't back down this time

Pré-Refrão:

Maybe I believe in magic, love  
Find it in the moon and stars above  
Drag it from the one horse town and I'll bring you down  
And I'll love you for all time

Refrão:

And it's alright  
but you know we can't go back  
I said it's alright  
but you know we can't go back  
you know we can't go back!

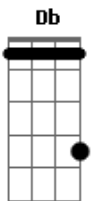

( Em C Em C )  
( Em C Am C )

And it's alright
