(com acordes na forma de G)

Capostrate na 6ª casa

Intro: G C G C

G C Em Em x2

[Verse 1]

Many's the time when I found I'd lost my way, love

I was stranded inside of a solid city wall

With my hand on my heart, I couldn't tell you if I'd been dreaming

Take me to my lover's arms, I won't wake up this time

[Pre-Chorus]

Maybe I believe in magic, love

Find it in the moon and stars above

Drag it from the one horse town and I'll bring you down

and I'll love you for all time

[Chorus]

But it's alright

You know we can't go back

I said it's alright

but you know we can't go back

and when we can't go back

[Verse]

Can't pass the time, well I guess must be leaving

Gone are the days and the dreams we screamed out loud

With my heart in my mouth, I couldn't tell you what just hit

me

Take me to my lovers arms, I won't back down this time

[Pre-Chorus]

Maybe I believe in magic, love

Find it in the moon and stars above

Drag it from the one horse town and I'll bring you down

and I'll love you for all time

[Chorus]

But it's alright

You know we can't go back

I said it's alright

but you know we can't go back

and when we can't go back

[Instrumental]
