this song is simple but kick ass at the same time CHEERS!

The Whole Song

Solo

the first time i saw the descendents, they were the fastest  
band i'd ever seen  
no one in the crowd really cared for them, we were waiting for  
The Ally Cats to play  
after a couple months i heard Kabuki Girl, on Rodney On The  
Roo late sunday night  
that was enough for me, i hopped the bus to Licorice Pizza and

baught my all time  
favorite record

the next time i went to the whiskey, it was D0A with Millions  
of Dead Cops  
the latter band played faster than i could believe  
but the songs sounded the same and kinda sucked  
'cept John Wayne was a Nazi, and Joey Shithead was a drunk  
then John Macias beat some hippie to a pulp, cuz having long  
hair was a mistake

the third time i went to the hospital, i needed 13 stitches in  
my head  
i managed to catch about 6 songs of Ill Repute, then some  
suicidal threw me into a post  
my girlfriend started to cry cuz we had to leave before DRI  
played 50 lousy songs  
my blood stained shirt smelled of clove cigarettes  
but it sure looked pretty cool after a wash
