this song is simple but kick ass at the same time CHEERS!

The Whole Song

Solo

the first time $\ensuremath{\mathbf{i}}$ saw the descendents, they were the fastest band $\ensuremath{\mathbf{i}}\xspace'\ensuremath{\mathbf{d}}$ ever seen

no one in the crowd really cared for them, we were waiting for suicidal threw me into a post
The Ally Cats to play my girlfriend started to cry o

after a couple months i heard Kabuki Girl, on Rodney On The Roo late sunday night

that was enough for me, i hopped the bus to Licorice Pizza and but it sure looked pretty cool after a wash

baught my all time favorite record

the next time i went to the whiskey, it was ${\rm DOA}$ with Millions of Dead Cops

the latter band played faster than i could believe but the songs sounded the same and kinda sucked 'cept John Wayne was a Nazi, and Joey Shithead was a drunk then John Macias beat some hippie to a pulp, cuz having long hair was a mistake

the third time i went to the hospital, i needed 13 stitches in $\ensuremath{\mathsf{my}}$ head

i managed to catch about 6 songs of Ill Repute, then some

my girlfriend started to cry cuz we had to leave before DRI played 50 lousy songs

my blood stained shirt smelled of clove cigarettes but it sure looked pretty cool after a wash
